SUPPORT DURHAM CATHEDRAL BECOME A PATRON

Durham Cathedral is one of the UK's best-loved buildings and an icon of north east England. Through the Development Programme we're working to enrich the many different ways in which the Cathedral engages with people and organisations.

By becoming a Patron of Durham Cathedral, you can become part of a family of supporters who are helping to shape the future of the Cathedral by making possible a range of key projects which protect our heritage, enhance the experience of visitors, promote creativity and learning and encourage the coming together of communities.

And as a Patron, you'll enjoy unique opportunities to experience the many facets of the Cathedral and to see at first hand the difference your support is making. Most importantly, you'll be a part of Durham Cathedral's living history and helping to ensure a flourishing Cathedral for tomorrow and future generations.

You can choose to become a Durham Cathedral Patron at a level that suits you best. There are five to choose from and in recognition of your gift, we would like to offer the following:
