# John, Apostle and Evangelist

Find this story in your Bible: John 21. 19b - end

Sunday 27th December 2020

## Start with a discussion:

- What name do people call John? John the \_\_\_\_\_.

## The story

In this weeks reading we hear about one of the Disciples named the 'Beloved Disciple'. Who do you think it could be?

In today's reading the Beloved Disciple is revealed as John, but the lesson from today is that if we love Jesus, we will be loved by Jesus in return. We can all be like John and be the 'Beloved Disciple'.

Jesus also says that we must 'follow' Him, to do this we must follow His teachings and act upon them in our lives.

## Activity: Heart hand prints

You will need:

- Print off the template
- Pink poster paint or lots of colours to do a rainbow handprint.

Print off the attached template 'Passing on my love to you'.

The template has been designed so you can share them with friends and family who you may not have been able to see over Christmas.

Paint both hands in either pink or rainbow.

If you chose rainbow make sure the lines of colours across your hands don't get mixed up. Keeping them separate makes them very bright and stops them becoming too mixed.

Place one hand carefully over the grey heart outline on the template. Your finger tips go to the point with your palm to the top round section of the heart. Repeat with the other hand crossing over to make the full heart shape.

Leave to dry, fill in who you're sending it to at the top and your name at the bottom.

Importantly then share with the person who you would like to receive it.

Passing on my love to you
