Start with a discussion:

- What is a 'commandment'?

The story

In today's Gospel reading we hear how someone was testing Jesus by asking what was the most important commandment. Jesus had the response that "You should love the Lord your God with all your heart and with all your soul and with all your mind". But what does this actually mean?

Jesus was telling us that above everything else we should first love God. From that everything else will follow. If we love and follow God, we will be good Christians.

Today's activity is about sharing God's love with others. Some of us may not be able to see our family and friends as much as we usually do, so the activity this week is a card to share God's love with others.

Activity: Sharing God's Love

You will need:

- **Card**
- **Paper (lots of colours)**
- **Scissors**
- **Pencil**
- **Glue**

Draw a heart shape out (approx. 10cms wide) and then cut out. This is your template.

Fold a piece of card carefully in half to make a greetings card. Using your template draw your heart shape on the front.

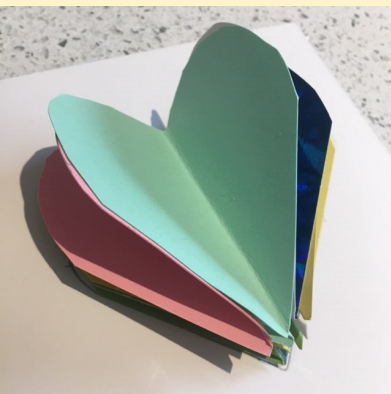

Using all your different coloured papers, draw your heart shape on to 10 different coloured papers using your template and cut out.

Fold all your hearts in half.

Add glue into the heart outline on the front of your greetings card and place the first two folded hearts on to the glued area.

Repeat until you get to the last two hearts. Glue the last two halves together and leave to dry.
Either display or write a message and send to share God's love.
